## NEL Overview:

National Equipment Leasing is a service oriented commercial finance and lease company catering to equipment dealers nationally. National Equipment is able to provide commercial lending for most all types of equipment and/or credit situations that your customers may face through our bank partnerships that we have developed over the years. Experience and creative thinking has helped us to put finance/lease packages together that work for your customers' business goals.

Depending on your service needs we can either work with you behind the scenes or deal with the customer directly collecting credit and documentation information. We value your business and know that the customer belongs to you so we will never finance or lease your competitor's equipment. National Equipment Leasing enjoys a reputation of uncompromised integrity within the finance and leasing community and our growth has gained us wide recognition as one of its leaders. We invite you to take the National Equipment Leasing advantage today!

## NEL History:

National Equipment Leasing was formed in 1998 as an additional profit center for the Dellen Automotive Group, and was eventually spun off in an employee purchase incorporating in January of 2000. Founder and company President Charles "Bud" Callahan, Jr. has molded the company from years of experience in the industry dating back to 1978 where his beliefs of integrity and commitment to service are the core of his business philosophy. National Equipment Leasing currently has seven employees along with four outside representatives to serve you with our corporate headquarters based in Indianapolis, Indiana.

In 2004 National Equipment Leasing became a member of OneWorld Leasing, Inc. which is a cooperative of like companies and reputations in the industry. Through OneWorld we are able to get access to banks and programs other lease and finance companies cannot. We are also members of the National Association of Equipment Lease Brokers (N.A.E.L.B.), the Better Business Bureau (BBB) and Bud has been a Certified Leasing Professional (CLP) since May of 2005.

*At National Equipment Leasing we recognize that every client has different financial needs. We can assist you in making your financial decisions based on such factors as your sensitivity to cash flow, yield, tax implications, risk-return and residual positioning. Our customers have come to rely on National Equipment Leasing for our expertise, prompt and professional service, individually customized financing alternatives, competitive rates and flexibility.*

(Bud Callahan, President)
